DALLAS, January 8, 2025 – Axxess, the leading global technology platform for healthcare at home, has partnered with WOTC.com, the leading authority in maximizing work opportunity tax credits, to offer Axxess clients access to workforce-related tax credits through WOTC.com’s services.

“Our partnership with WOTC.com represents Axxess’ commitment to ensuring the financial health and stability of our clients,” said Chris Taylor, senior vice president of channel partnerships at Axxess. “Through the services offered by WOTC.com, our clients gain the tools and support necessary to maximize federal and state incentive tax credits, enabling them to reap substantial benefits for qualified new hires.”

Through this partnership, Axxess clients receive access to WOTC.com’s services, including tools to pre-screen and process new employees for the Work Opportunity Tax Credit, resulting in credits of between \$2,400 and \$9,600 per qualified new hire.

“The potential of the Work Opportunity Tax Credit is often underestimated,” said Anthony Curlo, chief strategy officer of WOTC.com. “A remarkable 30% of new hires typically qualify for this lucrative incentive, and in high-turnover sectors like healthcare and staffing that number significantly increases.”
